Dear valued customer,

We are very excited for the new season and thank you for choosing us to take care of your home cleanings during this summer. As always, your homes need to be properly spring cleaned, so that we have a base-line to maintain for the season. We do not have the time during Change-Over time frame to spring clean your property, to check if the keys work, to make sure you have the proper working vacuum, mop or broom. That is why we **require** that, if you are taken as our client for the season, spring cleaning must be performed by Stretch Cleaning before the Change-Over season begins. We need to prevent many of the problems, so that the summer can run smoothly. By doing a spring cleaning and checking your property we will make sure you are prepared for the season and that this summer you will have less things to worry about.

In addition, we strongly recommend that you do a complete Carpet/Upholstery/Tile Cleaning and Window Cleaning before Change-Over season begins. Please, contact us as soon as possible, so we can put you on our schedule.

After this long cold winter, we all are looking forward to warm weather, a great summer and unforgettable memories made here, down the shore on our beautiful LBI beaches!!!

Best regards,

Kevin Stretch & Your Team at
Stretch Cleaning & Restoration, Inc.
